

Hat Trix — Look lovely for less!

An occasional newsletter

March 2023

Hello Hat Trix customer,

In January, we met some lovely customers and fellow display stand holders at the two wedding fairs which we attended. Thank you for modelling for us. Trying headwear is really THE only way you will find the right item that has the shape, colour and style that is just right for you to look your best.

It has been good to meet folk during February too and encourage lovely ladies to wear hats and fascinators.

At one faire, Katherine was suffering badly with sciatica. It was ghastly! She hopes no one else has such pain—truly awful. On the mend now, though physiotherapist said it would be quite a while until full recovery.

You can see our regular updates via social media, Facebook, @roseofhats. Give us a thumbs up and share please!

With best wishes,
Katherine & Rose
